Phase 3: Executive Analytics & Insights (Power BI)

Business Impact & Value Delivered

99%+ Data Integrity

- *Smart validation eliminates human error at the source (e.g., negative salaries, inverted dates).*

Zero-Touch Reporting

- *Real-time Power BI synchronization replaces days of manual Excel consolidation.*

100% Audit Readiness

Process Scalability

- *The automated Python ETL pipeline can effortlessly scale to process thousands of expatriate and equity records without requiring additional HR headcount.*
